Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Wednesday 27 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry with sunshine increasing into the afternoon.

Today:
A few scattered showers during the morning, mainly confined to northern areas, but many staying dry, with bright and sunny spells increasing into and through the afternoon. Winds light from north to northeast. Maximum temperature 5 deg C (41 deg F).

Tonight:
Dry with a widespread, deep frost developing away from windward coasts. Higher cloud increasing from south. Some limited clear spells across northern areas. Winds light northeasterly veering easterly by dawn. Minimum temperature -8 deg C (18 deg F).

Thursday:
Cloud gradually thickening and lowering form the south with patchy rain and snow spreading erratically northwards through the afternoon and evening, before clearing southwards overnight. Easterly breezes. Maximum temperature 5 deg C (41 deg F).

Outlook for Friday to Sunday:
Sunshine and limited showers for Friday and Saturday, with southern areas driest. Periods of snow then rain spreading from the southwest for Sunday.
